Function

Synchronized seat and back with tension adjustment and multi-position back lock allows user to ensure optimal comfort and working positions.

LeatherSoft

LeatherSoft, a luxurious upholstery that is available in brown or black, is soft and durable and requires little maintenance.

Arms

The die-cast aluminum arms are equipped with durable soft polyurethane pads, and have a 3 point pivot action to move with the synchronized seat and back for ideal support and comfort to the user.

QuickShip

QuickShip lead time is 2 days for up to 50 chairs.
